

TASTE WASHINGTON DAY

Welcome to our Local Lunch!
Today's lunch includes fresh, locally-grown foods from Washington farms.

Sink your teeth into this:

- The top 5 food products in Washington are apples, milk, beef, wheat and potatoes. Their combined value is greater than \$5,664,700,000 (\$5.66 billion) each year!
- There are over 35,500 farms in Washington and 7,739,000 residents. If people ate food just from Washington farms, how many people would each farm need to feed? (218 people)
- Over 300 crops are grown in Washington.
- Washington apples are sold in all 50 states and in more than 50 countries.
- Washington grows more apples, sweet cherries, pears, concord grapes and red raspberries than any other state.
